RESEARCH PROJECTS

Organized crime in Spain: Challenges and responses.

Funding institution: Dutch Ministry of Justice and Security.

Main researcher: A. de Castro.

Value: €100,000.

Duration: 1st November 2023–31st December 2024.

Análisis de la muy baja fecundidad a través de las transiciones vitales: emancipación, formación de pareja y trayectoria laboral (LifeTransFertility) [Analysis of lowest-low fertility through life transitions: emancipation, couple formation and labour trajectory (LifeTransFertility)].

Funding institution: Spanish Ministry of Science and Innovation.

Main researcher: L. A. del Rey & R. Grande.

Value: €91,960.

Duration: 1st September 2022–31st August 2026.

SPANDAM-Spanish Demographic Dynamics Assessment Model.

Funding institution: Spanish Ministry of Science and Innovation.

Main researcher: L. J. Miguel.

Value: €819,506.05.

Duration: 1st November 2021–31st December 2023.

Monitoring framework on coverage and adequacy of social protection.

Funding institution: Joint Research Centre, European Commission.

Main researcher: J.-I. Antón.

Value: €14,850.

Duration: 30th April–31st December 2021.

Políticas públicas para combatir la pobreza en Castilla y León [Public policies to fight poverty in Castile and León].

Funding institution: Economic and Social Council of Castile and León.

Main researcher: R. Muñoz de Bustillo.

Value: €14,999.

Duration: 28th February–15th December 2019.

Retos demográficos: Red temática de investigación en Demografía y Estudios de la Población [Thematic Research Network in Demography and Population Studies].

Institución financiadora: Ministry of Science, Innovation, and Universities (RED2018-102841-T). Main Researcher: D. Ramiro-Fariñas. Value: €20,000.

Duration: 1st October 2019–30th September 2021.

Baja fecundidad e infecundidad: un análisis de los factores causales de la pérdida de nacimientos en España y Castilla y León en perspectiva comparada [Low fertility and infertility: an analysis of the causal factors of the decrease in births in Castile and León in comparative perspective].

Funding institution: Castile and León Regional Government.

Main researcher: L. A. del Rey.

Value: €12,000.

Duration: 10th July 2019–31st December 2021.

Support study to the research activity on the Future of Work (impact of robotisation on the labour market).

Funding institution: Joint Research Centre, European Commission.

Main researcher: J.-I. Antón.

Value: €14,000.

Duration: 10th October 2018–31st December 2019.

Monitoring convergence in the dimension of working conditions.

Funding institution: European Foundation for the Improvement of Living and Working Conditions.

Main researcher: C. Warhurst.

Value: €76,080.

Duration: 1st August 2018–31st July 2019.

El impacto de la globalización y la tecnología en las condiciones de empleo en Europa [The impact of globalization and technology on working conditions in Europe].

Funding institution: Ramón Areces Foundation (17th National Competition for Research Grants in Social Sciences).

Main researcher: J.-I. Antón.

Value: €35,000.

Duration: 26th October 2018–25th October 2020.

Scenarios for the assessment of the future of manufacturing in the context of the project The Future of Manufacturing in Europe.

Funding institution: European Foundation for the Improvement of Living and Working Conditions.

Main researcher: J.-I. Antón.

Value: €14,999.

Duration: 29th May 2017–28th May 2018.

Quality of Jobs and Innovation Generated Employment Outcomes (QuInnE).

Funding institution: European Commission (Horizon 2020 Projects).

Main researcher: C. Mathieu & C. Warhurst.

Value: €2,498,869.

Duration: 1st April 2015–31st December 2018.

GIWeS: Globalization, Institutions, and the Welfare State.

Funding institution: New Opportunities for Research Funding Agency Cooperation in Europe (NORFACE).

Main researchers: K. O. Moene, C. Dustmann & R. Winter-Ebmer.

Value: €1,500,000.

Duration: 1st February 2015–31st January 2018.

Network of Experts on Social Dimension of Education and Training.

Funding institution: Directorate General for Education and Culture (European Commission, open tender).

Main researcher: H. Brožaitis.

Value: €250,000.

Duration: 1st January 2015–31st December 2018.

Crisis económica, cambio social y nuevos actores políticos [Economic crisis, social change and new political actors].

Funding institution: Spanish Ministry of Science and Innovation.

Main researcher: I. Llamazares.

Value: €41,000.

Duration: 1st January 2014–31st December 2018.

Trayectorias laborales y reproductivas de la población inmigrante en tiempo de crisis. España y el contexto internacional [Labour market careers and reproductive trajectories in crisis times. Spain and the international context].

Funding institution: Spanish Ministry of Science and Innovation.

Main researchers: L. A. del Rey & R. Muñoz de Bustillo.

Value: €41,140.

Duration: 1st January 2014–31st December 2017.

Long-term trends in the world of work and effects on the middle class.

Funding institution: International Labour Organization.

Main researcher: D. Vaughan-Whitehead.

Value: €9,000 (Spanish team).

Duration: 24th June 2014–27th November 2015.

Reducing precarious work in Europe through social dialogue.

Funding institution: Directorate-General of Employment, Social Affairs and Inclusion (European Commission, Budget Heading 04.03.01.08 Industrial Relations and Social Dialogue, Sub-programme II: Improving expertise in the field of industrial relations).

Main researcher: D. Grimshaw.

Value: €554,917.99.

Duration: 1st December 2014–30th November 2015.

Efectos sociales de la crisis económica en Europa [Social effects of the economic crisis across Europe].

Funding institution: Santander Bank (Santander Ibero-American Grants. Young Teachers and Researchers Spain 2014 for funding research stays at foreign universities).

Main researcher: J.-I. Antón.

Value: €5,000.

Duration: 7th June–21st September 2014.

EDUWORKS (Crossing borders in the comprehensive investigation of labour market matching processes: An EU-wide, trans-disciplinary, multilevel and science-practice-bridging training network).

Funding institution: European Commission (FP7-PEOPLE-2013-ITN-Marie-Curie Action: “Initial Training Networks”).

Main researcher: K. Tijdens.

Value: €3,630,338.92.

Duration: 1st October 2013–30th September 2017.

Study and analysis of long-term trends in the jobs structure in four (4) European countries.

Funding institution: European Foundation for the Improvement of Living and Working Conditions.

Main researcher: R. Muñoz de Bustillo.

Value: €60,000.

Duration: 1st May 2013–30th September 2014.

Las consecuencias sociales de la Gran Recesión en España [The social consequences of the Great Recession in Spain].

Funding institution: Banco Herrero Foundation.

Main researcher: J.-I. Antón.

Value: €5,000.

Duration: 1st June 2013–30th May 2014.

Study on the effective use of early childhood education and care (ECC) in preventing early school leaving (ESL).

Funding institution: Directorate General for Education and Culture (European Commission, open tender).

Main researcher: H. Brožaitis.

Value: €274,500.

Duration: 1st December 2012–31st August 2014.

The European Social Model along the economic crisis and austerity policies. Developments, effects and policy issues.

Funding institution: International Labour Organization.

Main researcher: D. Vaughan-Whitehead.

Value: €200,015 (Spanish team, €9,000).

Duration: 28th September 2012–28th February 2014.

Adjustments in the Public Sector in Europe: Scope, effects and policy issues.

Funding institution: International Labour Organization.

Main researcher: D. Vaughan-Whitehead.

Value: US\$12,000 (Spanish team).

Duration: 5th December 2011–30th June 2012.

Evaluación del proceso de descentralización del Sistema Nacional de Salud desde la perspectiva de los ciudadanos [Evaluation of the decentralisation process of the National Health System from a citizens' perspective].

Funding institution: Centre of Sociological Research (Spanish Ministry of the Presidency).

Main researchers: J.-I. Antón.

Value: €11,000.

Duration: 1st January–31st December 2011.

Procesos de integración de la población inmigrante en España: análisis de las trayectorias laborales y reproductivas [Process of integration of immigrant population in Spain: analysis of labour market careers and reproductive trajectories].

Funding institution: Spanish Ministry of Science and Innovation.

Main researcher: L. A. del Rey.

Value: €36,300.

Duration: 1st January 2011–31st December 2014.

Inequalities in the world of work. The effects of the crisis.

Funding institution: International Labour Organization.

Main researchers: D. Vaughan-Whitehead.

Value: US\$12,000 (Spanish team).

Duration: 15th February 2010–30th June 2011.

Estudio sobre la oferta y la demanda de trabajo de alta cualificación en Castilla y León, en el marco del Espacio Europeo de Educación Superior [A study of the highly skilled labour supply and demand in Castile and León].

Funding institution: General Foundation of the University of Valladolid.

Main researcher: J.-I. Antón.

Value: €7,080.

Duration: 25th October–15th November 2010.

Construcción de indicadores de calidad de empleo. Aplicación a España y a las CCAA [Construction of indicators of job quality. Application to Spain and its regions].

Funding institution: Castile and León Regional Government.

Main researcher: R. Muñoz de Bustillo.

Value: €11,500.

Duration: 15th April 2010–31st December 2011.

Evaluación del tercer pilar del sistema de pensiones: determinantes de las aportaciones voluntarias y sus efectos sobre el ahorro de las familias [Evaluation of the third-pillar pension system: main determinants of voluntary contributions and their effects on households saving].

Funding institution: Spanish Social Security Administration.

Main researcher: R. Muñoz de Bustillo.

Value: €30,000.

Duration: 1st January–31st December 2010.

Desigualdad, bienestar y convergencia en Brasil [Inequality, welfare and convergence in Brazil].

Funding institution: University of Salamanca.

Main researcher: J.-I. Antón.

Value: €3,000.

Duration: 27th September 2009–26th September 2010.

Indicators of quality of the working environment.

Funding institution: European Parliament (open tender, contract reference number IP/A/EMPL/FWC/2007-017/C1-SC3).

Main researcher: R. Muñoz de Bustillo.

Value: €46,400. This research is part of competitive contract External expertise to the Committee on Employment and Social Affairs on emerging regulatory and policy issues related to employment affairs (IP/A/EMPL/FWC/2007-017/C1) with a value of €660,000.

Duration: 31st January–30th September 2009.

Políticas activas de empleo para jóvenes frente al abandono escolar [Active labour market policies for early school leavers].

Funding institution: Spanish Ministry of Labour and Immigration.

Main researcher: R. Muñoz de Bustillo.

Value: €12,000.

Duration: 17th July–1st December 2008.

Composición y estructura del trabajo a tiempo parcial y su relación con los contratos formativos [Part-time work and training contracts].

Funding institution: Spanish Ministry of Labour and Social Affairs.

Main researcher: R. Muñoz de Bustillo.

Value: €12,000.

Duration: 25th May–1st December 2007.

La cuantía de las pensiones a medio plazo, sus efectos sobre el sistema de pensiones y el estudio de alternativas [The level of pensions in the middle-term, their effects on the pension system and the analysis of alternatives of Social Security reform].

Funding institution: Spanish Social Security Administration.

Main researcher: R. Muñoz de Bustillo.

Value: €35,000.

Duration: 1st January–31st December 2007.

Análisis coste-beneficio de la inserción temprana de los jóvenes [Cost-benefit analysis of early youth transition to work].

Funding institution: Spanish Ministry of Labour and Social Affairs.

Main researcher: R. Muñoz de Bustillo.

Value: €12,000.

Duration: 8th March–1st December 2006.
